

What are your wishes for Riverhead Schools?

**School Vote
Riverhead CSD**

Tuesday, May 21, 2024

**After you vote on the school budget and
propositions...**

Then, take your space to ... ***Make a wish!***

There are only two candidates running for two slots.
So, instead, use your “write-in” power to write in a
wish (instead of a person) in the blank under candidate.

Some examples:

- Save the science lab at Pulaski
- Keep Teacher Assistants for Kindergartners
- Better address bullying at Pulaski
- Save and Grow the Dual Language Program
- Create a Dual Language Program in the Polish Language
- Build a district wide Pre-K to 2nd Early Childhood Building
- Raise pay of bus drivers and non-instructional staff
- Give our parents and our community input into
hiring the Superintendent of Schools
- Build more schools
